TOSDOSA (The Outstanding Sons and Daughters of OFWs Student Achievers)
awardees' cash rewards sponsored by I-Remit, Inc.
March 22, 2019

The annual TOSDOSA last March 22, 2019 at NCCA in Intramuros, Manila awarded the Top Ten Sons and Daughters of OFWs in recognition of their academic achievements. The event was organized by the Episcopal Commission for the Pastoral Care of Migrants & Itinerant People of CBCP.

This worthy initiative encourages these student awardees to prioritize education even if their OFW parents are not around to guide and nurture them.

This year, the I-Remit Foundation supported this program of the CBCP-ECMI for the sons and daughters of OFWs.
